## New SAE House is Dedicated – November 5th, 2005

**\$1.5 Million raised, Occupies 46 brothers; Last chance to donate**

*SMU SAE is the finest fraternity houses ever built at a private university*

*Great memories of our past; razed April 17th 2006*

The new SAE house was dedicated before an excited crowd on November 5th 2005, during Homecoming weekend. The following weekend, undergraduate members were able to move in and officially occupy the new house, creating a special atmosphere for both actives and alumni alike.

### Get Your Name On The SAE Cornerstone (EVERY DONOR WILL BE RECOGNIZED)

The long-term legacy of the Texas Delta Chapter is not yet secured. As of print, our Chapter has seen over 150 alumni, parents, and friends contribute \$1,557,725 towards the project, surpassing the initial goal of \$1.5 million needed to fund the house construction. We are now on the last leg of the campaign, with only \$500 thousand remaining before we reach our final goal of \$2 million. We will continue to solicit funds until August of this year, at which time all donors will be recognized with permanent plaques placed next to each room or area of the house, and the names of every donor etched in marble on the "Wall Of Donors" in the entry hallway.

## SAE Thanks the Following Major Donors

The following is a partial, uncompleted, list of donor-naming assignments, and will be completed as we approach July. We have several gifts over \$10,000 from alumni who have not requested naming rights. At the end of the campaign we will assign these names to the appropriate areas. Before finalizing, hometowns, names and spelling will be verified by SMU, as well with donors, who will receive a letter to approve verification of naming. In some cases, spouses' names will be included or the donor will be recognized as a family (ex. The John Doe Family - Dallas, TX). All \$10,000 donors will have a plaque placed at individual bedrooms in the house. Many thanks to these "big donors"

## SIGMA ALPHA EPSILON 2005-2006 SOCIAL WRAP UP

Brother Raymond Singletary and Christina Donnally at Founder's Day/Initiation Celebration

### Philanthropy Raised \$15,000

The brothers of SAE's Texas Delta chapter manage to put down the books at the end of the week and have a good time. In fact, nobody has a better time at SMU than the SAEs, and our social schedule is proof of this. During the fall semester, we had parties like Rockstars and Groupies, Raggae Tailgate, Guys and Dolls, SAE Halloween, and the wildest away weekend in the Southwest... Galveston!

The spring semester brought more good times for our chapter. We welcomed our new brothers into the chapter on Bid Night with the Kappas, threw a Mafia Wedding with the Chi-Os, we went back to the 80's with our Miami Vice party, and had a blast at Principals and Schoolgirls. Of course no spring semester would be complete without the nationally recognized, weeklong "Jungle" celebration. No party at SMU compares to the sights and sounds of Jungle. Four days of parties ensures that each and every student at SMU gets the opportunity to enjoy the greatest spectacle in Dallas.

Always socially active around town, the Texas Delta chapter is also conscious of the need to give back to their community. During the Fall semester, SAE raised **\$15,000** for the **Salvation Army** through the extremely successful "Iron-Skillet Shootout" in which the SAEs from TCU competed against our sharpshooters in a clay-course shooting challenge. Spring semester brought the 1st annual "SAE Chili Cook-off" another philanthropy which raises money for **The Dallas Center For Survivors of Torture**.

It's been a great year socially for Texas Delta, and we look forward to having even more fun next year while continuing to give back to the community.

## WE NEED YOUR OLD COMPOSITE PHOTOS!

*Will Hundley '09 with father David (Texas Rho, 1979)*

We currently have 37 years of SAE Chapter composites mounted throughout the hallways of the chapter house. Recently alumni have loaned their own copies of the smaller 11"x14" composite photo, covering the following years: 1955-'57, 1964-'68, 1974, and 1976-'77. We have commissioned BWC Photography of Richardson (TX) to digitize and enlarge these composites to wall size. When finished the composite photos will be returned to their owners, and the newly restored large composites hung in the house. We are still **missing** the following years: **1952, 1953, 1954, 1958, 1959, 1960, 1961, 1962, 1969, 1970, 1971, 1972, 1973, 1978, 1979, 1980, 1981, 1983, and 1984.** Please consider sending us your copy so we can keep a lasting memory of brothers past. Mail to: Don Donnally, c/o Bear Stearns, 100, Crescent Ct., Ste 1300, Dallas, TX 75201, 214-979-7770.
